Daily Sourcing Struggle

Searches through 47 emails to **find the latest specifications** for bomber jacket

8 Excel sheets open, still can't **find the approved zipper change** from last week

Bangladesh supplier working on specs that are **3 versions old**

12 suppliers to **contact manually**, each requiring a **customized email**

After **days of work**, finds out chosen supplier has **quality red flags** and missing certificates

Messages scattered across WhatsApp, WeChat, and email from suppliers

'**What-if**' material is changed, another 6 hours of excel surgery across 5 suppliers and 3 currencies

5 Issues Holding You Back

1. Need to streamline your sourcing process
 - ⚡ Sarah searches through 47 emails to find the latest specifications for bomber jacket
2. Supplier Collaboration Chaos
 - ⚡ Messages scattered across WhatsApp, WeChat, and email from suppliers in 3 time zones
3. Sample Management Nightmare
 - ⚡ 8 Excel sheets open, still can't find the approved zipper change from last week
4. Fed up with the RFQ runaround
 - ⚡ Sending out 12 email follow-ups, 12 different formats to consolidate and normalize the data
5. What-if costings take forever
 - ⚡ Opening multiple excel sheets, to manually adjust the freights costs, MOQs, shipping method, product locations or changing raw material

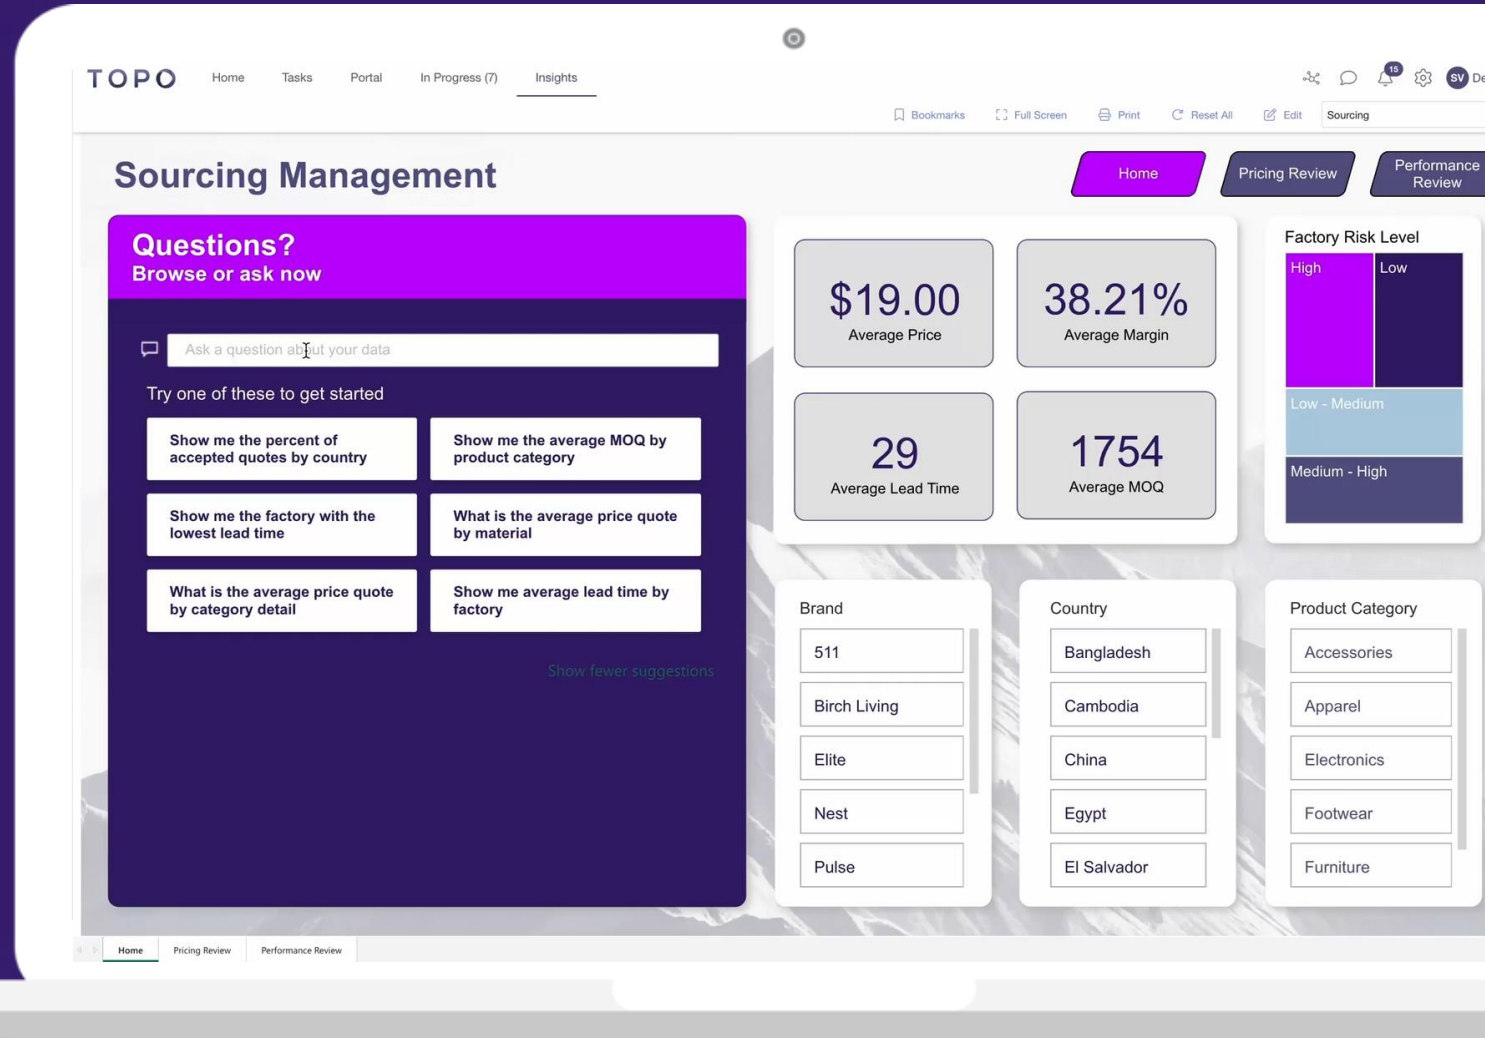

Why Yesterday's Tools Can't Solve Today's Problems?

**A complex
and ever-changing
environment**

What We Are

Benefits of Topo Sourcing

Efficiency

Streamlined sourcing, saving time

Product Research

In-depth insights and market trends

Reduced Buying Prices

Enhance profitability, optimize margins, and mitigate risks

Product & Supplier Dashboards:

Analyze and rank products and suppliers

Responsible Sourcing

Track compliance, sustainability, and certifications

Cost Transparency

Analyze total landed costs beyond just unit price

Flexibility

Easily adapt tool to future changes

**Efficiency gains + smarter buying decisions + better compliance
= Transformative Results**

DEMO

TOPO

Topo's Sourcing Module

One centralized hub for your entire sourcing journey - from trade shows/ supplier showrooms to final order.

No more 'Where's that supplier contact? What happens to our margin if we air freight?'

The screenshots display the following components of the TOPO Sourcing Module:

- Quotation Page:** Shows a 'Quotation' for 'Elite' (Request ID: HA02MF95) with a status of 'Accepted'. It includes 'Product Information' (Article # 4600, Description: Tammy Jean, Season: Spring, Year: 2025, Collection: Spring Flng, Category: Denim, Subcategory: Jeans) and 'RFQ Details' (Target Price: 22.50, Currency: USD, Terms: FOB, Approximate Quantity: 3600, UOM: Each, Ship Date: 31 Mar 2025).
- Supplier Information:** Lists details for 'Epic Creations' (Supplier ID: 2326, Factory ID: 5954, Country: China, Contact: Grant Flint).
- Supplier Quotation:** Shows offer details for 05 Mar 2025, entered by Stefanie Valerio, with a valid until date of 12 Mar 2025. It includes MOQ (3000), LT (14 days), and FOB Price (23.57).
- Pricing Review:** A dashboard for reviewing pricing with filters for Brand (511, Elite, Sierra, Sprouts), Product Category (Apparel), Subcategory (Jacket, Pant, Shirt, Short, Sports Bra), Material (Canvas, Cotton Jersey, Fleece, French Terry, Performex Blend), and Country (Bangladesh, Cambodia, China, Egypt, El Salvador). It features a 'Cost Metrics' sidebar with Average Price (\$10.99), Average MOQ (3151 units), Average Lead Time (21 days), and Average PO Quantity (5,966 units). A table lists various articles with their descriptions, factories, brands, materials, MOQ, lead times, target and price costs, margins, and status indicators.
- BOM Costing:** Shows a 'Cost Scenario Summary' for 'As Designed' with a total cost of 29.09 and a retail price of 39.00. It details fabric costs for 'M33 4140 Stretch Denim' and 'Cotton Pocketing', and trim costs for 'Metal Button - 32L', 'Main Rivet - 10L', and 'Nylon Zipper'.
- Sample Evaluation:** Shows a 'Sample Evaluation' for a 'Sample' received on 27 Feb 2025, evaluated by Gina Flynn. The sample quality rating is 'Good', and a note mentions 'There is some roping at back waistband, please correct for fit sample.' It also includes 'Compliance Information' with certifications like Amfoni BSCI, GOTS, FSC, and SedEx, and product info such as Lab Test, Organic, and Recycled.
